### Readers Love Chocolate

Dear XL Girls,

I love your magazine but I would like to see more black ladies featured. Please do another feature layout on Shar. She is so hot, and seems like a lot of fun. I also loved that sweet piece of chocolate, Kayla. I'd love to eat her up. Perhaps you could do an all-black issue of XL. Keep up the good work.—D.S., Houston, Texas

Dear XL Girls,

Please show a lot more XL black girls in lots of hot XXX bedroom sex shots. Please show more Kristina Milan having hardcore kinky sex in bed with her shoes off so we can see her soles and her toes curl up as she has sex in every position. Show more XL black beauties with shoes coming off so we can see all their soles and toes and their great bodies. Have all the other XL Girls show us their bodies and soles. Also dress them in lots of sheer nylons and garter belts with no shoes on. Please, lots more XL black girls and lots of hot

In the mood for some hot chocolate? Girls like Kayla will keep you satisfied.

### Evzenie is the Ultimate Plumper

Dear *XL Girls*,

I like *XL Girls* and Evzenie is my favorite. Her red hair, white skin, huge tits and ample ass are the ultimate! I only have one picture of her that I've saved for many years. She's standing in front of a purple flowered wall. She's totally beautiful! Please tell her that I love her pictures.-M.H., Crestwood, Kentucky

### Still Seeking Stacy

Dear *XL Girls*,

I was wondering if Stacy Lee is

Stacy Lee has appeared in this magazine several times in the past few years, but has since retired.

going to appear in *XL Girls* again? Stacy is so hot it is unbelievable. She has the nicest tits I have ever seen in my life. I've only seen Stacy in one issue. I use that issue all the time. While looking at Stacy and stroking myself I get off on average of 46 to 49 seconds. Yes, it's true. I timed it. I never lasted over one minute with Stacy. She's that hot.

Your Feb. '12 issue (SP222) featuring Karla Lane and Katherine James was a treat. I love hairy pussies. I would love to see more bush in *XL Girls* in future issues. If Stacy Lee had a hairy pussy, I would probably have a severe case of premature ejaculation. I might get off just by seeing Stacy with a bush before I got to stroke myself even just once.-D.O., Bloomington, Illinois

### Titillating Terri

Dear *XL Girls*,

No lie, I received my May '12 (SP227) issue of *XL Girls* yesterday, and I am already writing to you the very next day to tell you how awesome it is. Every model was a curvaceous babe, but you really outdid yourselves with Terri Jane. The woman is truly a goddess. And her in that nurse outfit really stirs my fantasies. I would gladly fall down a flight of stairs and hope for injury if it meant being tended to by this British big-boobed beauty!

Terri's breasts are truly a marvel. They are huge, but firm, full and relatively perky for their size. I hope that one day she decides to at least go spread eagle for the camera. I would love to see what the inside of her

Terri Jane's incredible body and mams have mesmerized readers.

pussy looks like. I'm sure it's a beautiful flower. In the meantime I will be jacking furiously to her photos and videos!—J.K., via email

Dear *XL Girls*,

Terri Jane is the hottest girl I have seen in a long time. What a great find! She just reminded me why I subscribe to *XL Girls* (not that I really needed a reminder, but you know what I mean.) I ordered *Montego Babes* after seeing it advertised in your magazine, and wow! All the girls are smoking, but Terri is my favorite. I felt like I had died and gone to big-boob heaven when I was watching that DVD. All the running and bouncing around and tit-massaging made me so hard. I personally am not the biggest fan of hardcore so I'm glad there were no guys in the DVD, although I'm sure I'm in the minority with that opinion.

I literally gasped when I first saw the cover of the May '12 (SP227) issue. There Terri was, smiling back at me and looking as alluring as ever. And having her in the centerfold was an even bigger treat. What an excellent shot of her free-hanging hooters and lovely, shaved clam. I know some of your readers complain about the British girls not spreading their

# Zeta Verrone & Juan Largo

In the last issue, Aug. '12 (SP232), Zeta told us all about herself in her interview. This Texas native 'fessed up to having threesomes, eating pussy and sharing a girlfriend with her husband, amongst other things. She shared her thoughts with us, and now she's sharing her pussy with a nice, hard cock. So sit back and enjoy the show. Zeta may be new to modeling, but she doesn't disappoint!

Aside from her big tits and curvy body, some other attractive features of Zeta's are her large nipples. They protrude more than any we've seen in a while. "You can tell how horny I am by how hard my nipples are," Zeta said. "The hotter I am, the longer and harder they get. Kind of like a dick!" Judging by her nipple meter, Zeta was very horny while fucking this cock. Is the hardness of your cock matching the hardness of Zeta's nipples yet?

**Meet Sarah Rae.  
This newcomer  
likes to flaunt  
what she's got!**

She's a 23-year-old from Orlando, Florida who likes to read, go to the beach, shop and show off her huge boobs. "I like to wear a lot of cleavage shirts. I hate it when my boobs feel trapped. They were made to be free!" We agree that she should let those puppies hang free whenever possible.

Preferably when there's a hungry mouth nearby!

## You'll love Sarah because she's just like you: all about the big boobies!

You love to look at big tits, feel them, suck them and fuck them. Sarah likes these things, too. When you're blessed with such a big rack, boobs are never far from your mind. "My tits are like my best friends. They're part of who I am, and I love them. Because of that, I want guys to love on them, too. Playing with my girls is a must." Sarah also likes to give and receive oral, and her favorite position is on top. "I always cum when I'm on top, and I like how my boobs dangle in the guy's face."

**Sarah likes to expose her luscious body to the public in the right moments.**

"I like teasing or having sex in public. If I'm out somewhere with a guy, I'll put my hand in his pocket and play with his dick till it gets hard. Or I'll flash him my tits when no one is looking. It's how I flirt with someone I like. My favorite public sex experience was in a hot tub at a party. Everyone else was hooking up, too, and it got me in the mood to go all the way. I think me having sex in the jacuzzi started a domino effect, 'cause then the other couples started fucking, too! Next time I'd like to partner swap."

XL INTERVIEW

# PORSCHE DALI

SHE LOVES HER TITS AS MUCH AS YOU DO!

**XL Girls:** Hey, Porsche. Welcome to the *XL Girls* studio. We're so glad to have you in!

**Porsche:** Thank you. I'm glad to be here shooting with you. My last time was great so I expect this time to be even better.

**XL Girls:** We'll try not to disappoint you. Now for readers who may not be familiar with you, can you tell us where you're from?

**Porsche:** Springfield, Missouri.

**XL Girls:** And how did you hear about *XL Girls*?

**Porsche:** I've seen your magazines before. I've been a fan for a while.

**XL Girls:** Are you a fan of porn? Obviously you're a model, but do you like to watch it in your free time?

**Porsche:** Yes, I do.

**XL Girls:** What kind of porn do you like to watch?

**Porsche:** I like all different kinds of porn. Lots of boy-girl, lots of girl-girl. Anything with Briana Banks in it.

**XL Girls:** Are you into girls?

**Porsche:** I'm bi.

**XL Girls:** Have you ever had a relationship with another girl?

**Porsche:** Not relationships, I've just fooled around.

**XL Girls:** What's your bra size?

**Porsche:** I am a 42GG.

**XL Girls:** Nice. Okay, so now that we know the basics about you, let's get down to the sexy stuff. What was your first sexual experience like?

**Porsche:** Well I grew up in a very religious, very strict household. I had always been told not to have sex till marriage but I didn't listen to my parents. Eventually I started dating this guy from the next town over and he was known to be a bad boy. One thing led to another and we ended up down at this lake. The moon was big and bright and shining down on us. And he screwed me until I couldn't ignore sex anymore. [Laughs]

**XL Girls:** Do you think your parents being so strict made you want to rebel even more?

**Porsche:** Definitely. The guy I lost my virginity to was hot too, so that definitely didn't hurt.

**XL Girls:** And what was your first experience with a girl like?

**Porsche:** It was during college. I was living in a house with three other girls. We were all going to a party one night, and one of the other girl's sister came

## "SHE ENDED UP IN MY BED INSTEAD OF IN HER SISTER'S ROOM."

by. She was really hot and I guess she's bi, too. We hung out all night and we were getting along really well. And of course we wound up drunk that night and she ended up in my bed instead of her sister's room.

**XL Girls:** That sounds pretty hot. Were you in a sorority or anything?

**Porsche:** No, a bunch of us friends just got a house together.

**XL Girls:** What did you study when you were in college?

**Porsche:** I have a degree in paralegal studies and I'm currently in school for environmental science.

**XL Girls:** That's cool. What would you like to do with that in future?

**Porsche:** Anything to save the animals and save the planet.

**XL Girls:** Our motto here at *XL Girls* is save the beavers.

**Porsche:** [Laughs] I'm all about that!

**XL Girls:** So when did you first start to get your boobs?

**Porsche:** In third grade.

**XL Girls:** Wow. Was that stressful for your parents?

**Porsche:** Yes, very stressful.

**XL Girls:** How about for you?

**Porsche:** I didn't know what was

**"BY THE TIME I GOT TO HIGH SCHOOL I WAS GIVEN THE NAME BIG TITS."**

going on, but it ended up being very stressful for me because obviously I was blooming before everyone else. I got a lot of teasing when I was young. People would say that I was stuffing my bra and things like that. And at that age you can't just say, "No, they're real!" and show them off.

**XL Girls:** What about when you got to high school?

**Porsche:** By the time I got to high school I was given the name Big Tits.

**XL Girls:** That's pretty straight forward! No beating around the bush with that one.

**Porsche:** Yes, so by the time I graduated that's how everyone knew me, as Big Tits. Most guys didn't know even know my real name, just Big Tits.

**XL Girls:** Is that what they wrote under your yearbook picture?

**Porsche:** [Laughs] No, they didn't write it there. But of course everyone had to write it when they signed my yearbook. "Hey Big Tits, How's it going? See you next year." Something like that.

**XL Girls:** How did you feel about being called that?

**Porsche:** It didn't really bother me. It would get old at times, but for the most part I thought it was funny. I didn't feel like they were really doing it to be mean. It was more of a teasing thing.

**XL Girls:** When you go out to a party or a club do you like to dress to show off your boobs? Or do you like to dress more conservatively?

**Porsche:** I wouldn't say I'm conservative. I like to dress classy but sexy. So definitely showing off the boobs and a little bit of leg and sexy stilettos.

**XL Girls:** So tight, but not revealing too much?

**Porsche:** Right.

**XL Girls:** What is the kinkiest thing you've ever done?

**Porsche:** I guess my first girl experience was pretty kinky. I had toys so we were just going at it with each other like crazy.

**XL Girls:** What kind of toys were you two using on each other?

**Porsche:** Vibrators. I love vibrators, especially if they have the little clit tickler on them.

**XL Girls:** Those are fancy. Do you ever use regular dildos?

**Porsche:** Not really. I prefer the vibrators. They feel better.

**XL Girls:** Have you ever been in a

three-way before?

**Porsche:** No, I haven't.

**XL Girls:** Well that's something to try.

**Porsche:** Yes, it's definitely on my bucket list.

**XL Girls:** What kind of guys do you normally go for?

**Porsche:** I like guys that are one, humorous, and two, not too incredibly cocky or stuck on themselves. I also go for the bad boy image. Tattoos, piercings, fauxhawks, I like all of that.

**XL Girls:** And what kind of women are you attracted to?

storms. One right after another in '07 and '08 I believe it was.

**XL Girls:** Do you have to stay locked up in your house the whole time?

**Porsche:** Not if you have a job. They still expect you to be there, especially if your job has electricity and back-up generators. If it were up to me I'd just stay in and have sex.

**XL Girls:** I imagine in these situations you're bundled up pretty well.

**Porsche:** Yeah, everything is covered but my boobs are still bulging out. I actually think they look pretty nice in

**Porsche:** I get a lot of chicks who hate on me, especially at the mall. I don't know what it is about the mall, but if I'm walking through there they'll just stare at me. Then they're in their little, cliquey groups talking shit about me.

**XL Girls:** They're just jealous.

**Porsche:** Exactly. That's the conclusion I've come to.

**XL Girls:** Have you ever seen their boyfriends looking at you?

**Porsche:** Oh yeah.

**XL Girls:** That's probably why

## "I LIKE TO DRESS CLASSY BUT SEXY. SO DEFINITELY SHOWING OFF THE BOOBS..."

**Porsche:** That's an easy one. Big-breasted blondes. [Laughs]

**XL Girls:** Oh, like you?

**Porsche:** Yes, like me!

**XL Girls:** So what do people do for fun in Missouri? What is there to do out there? Is there a party scene?

**Porsche:** People go to each other's houses. Hang out. Go bowling. Have sex. Not much else.

**XL Girls:** As a native Miamian I'm always interested in what life is like in the Midwest. I've never even seen snow before.

**Porsche:** I'm a survivor of two ice

a sweater, even if it isn't low-cut.

**XL Girls:** I know exactly what you're talking about. Many of our readers like the stretched sweater look.

**Porsche:** Yes! I love the way sweaters hug my curves.

**XL Girls:** Speaking of your curves, do you get a lot of comments about your boobs when you go out?

**Porsche:** I do.

**XL Girls:** What kinds of things do you hear most often?

**Porsche:** It depends whether they're admirers or haters.

**XL Girls:** Who's hating?

they don't like you.

**Porsche:** I notice their boyfriends looking especially when the girl doesn't have any tits at all. It's not my fault he's looking. They should get mad at him for being rude.

**XL Girls:** Do you ever think it's rude when someone is looking at you?

**Porsche:** It depends on how they do it and what they look like. A cute guy who is checking me out and smiles at me is different than a guy who is just creepily staring at my chest. If I'm out and about and a guy makes conversation with me, it's a million times better

than staring like you're about ready to jack off.

**XL Girls:** Yes. There's a right way to check out a girl and a wrong way. You don't want to come on too strong.

**Porsche:** Exactly.

**XL Girls:** So do you have any hobbies or things you like to do in your free time?

**Porsche:** I like to write erotic stories. I haven't published any yet, but it's something I like to do for fun. I help rescue dogs. Anything that has to do with no-kill shelters I'm out there helping with that. I love music. I love to karaoke. I'm a karaoke fool.

**XL Girls:** What songs do you like to sing when you do karaoke?

**Porsche:** No Doubt, Gwen Stefani.

**XL Girls:** You have the blonde hair going. You're like the busty Gwen Stefani.

**Porsche:** [Laughs] Maybe one day I'll be as famous as her.

**XL Girls:** You definitely have your fans!

**Porsche:** I know. They're great.

**XL Girls:** Now is there anything you'd like to try, sexual or not, that you haven't yet?

**Porsche:** The three-way is definitely up there.

**XL Girls:** What else is on your bucket list?

**Porsche:** Nonsexual, I want to go sky diving. I love the adrenaline rush. I want to move out of Mid-America to a beautiful beach somewhere.

**XL Girls:** Miami is nice, and it doesn't snow here.

**Porsche:** I like it so far. I'd love to be able to leave my house and step right on the beach.

**XL Girls:** What about your sexual bucket list, besides the three-way? We know you have a kinky side.

**Porsche:** A three-way with two boys or two girls would be great. I'm an anal virgin...

**XL Girls:** You read my mind!

**Porsche:** One of these days I plan on trying it, so you can definitely add that to the bucket list.

**XL Girls:** Well good luck with that one! Have you ever had sex in public?

**Porsche:** Yeah. My first experience was in public but there was nobody around. But I have been at a party before and fucked somebody on a trampoline in front of everyone.

**XL Girls:** Nice! In front of everyone?

**Porsche:** Well, I'm sure someone was watching. They were all on the deck drinking and I was on the trampoline.

**XL Girls:** What about in a car or on the side of the road?

**Porsche:** The car has definitely been done before, and on the side of the road, too.

**XL Girls:** Has anyone ever caught you having sex?

**Porsche:** Honking happens a lot when I'm having sex in the car. So obviously people are not oblivious to what's going on inside a rocking vehicle.

**XL Girls:** Where were you when they were honking at you?

**Porsche:** Down by a creek.

**XL Girls:** And it's by a road?

**Porsche:** Oh yeah, a busy road.

**XL Girls:** Ooh.

**Porsche:** But you know, when you get in the mood, you get in the mood.

**XL Girls:** Yes, you gotta do what you gotta do. And on that note, would you say that you masturbate a lot?

**Porsche:** Um, yeah [Laughs]. When I'm not getting it anywhere else I'm definitely masturbating.

**XL Girls:** Do you have any special talents?

**Porsche:** I can give a good titty-fuck.

**"I LIKE TO HAVE MY ASS SLAPPED AND I LIKE TO HAVE MY HAIR PULLED, BUT TO A CERTAIN EXTENT."**

**XL Girls:** What is involved with a good titty-fuck? What is the technique for doing a good job?

**Porsche:** Use lots of slobber and make sure you have big boobs.

**XL Girls:** Do you have to squeeze your boobs together really tight?

**Porsche:** Yup.

**XL Girls:** What about dirty talk?

**Porsche:** Hey, if the man likes it then I'll happily do it.

**XL Girls:** Does every guy you sleep

with want to titty-fuck you?

**Porsche:** Absolutely. They have to try it at least once.

**XL Girls:** Would you say you're more of a giver, or would you rather get eaten out, or both?

**Porsche:** I'm a giver. I don't really care about being eaten out. I just want to get fucked. Maybe I need to meet a guy with a magic tongue to change my mind.

**XL Girls:** Don't worry, he's out there.

So what's your favorite position?

**Porsche:** Doggie-style.

**XL Girls:** We hear that one a lot.

**Porsche:** There's no better orgasm than in doggie-style.

**XL Girls:** You get some good pounding action.

**Porsche:** Absolutely.

**XL Girls:** Would you say the type of sex you like the most is rough and hard or more gentle?

**Porsche:** I like to have my ass slapped and I like to have my hair pulled, but to a certain extent. A couple of little slaps and a not-too-hard pull towards the end is really good.

**XL Girls:** Have you ever used your boobs to your advantage?

**Porsche:** Oh yeah! I've used my boobs to get into clubs without having to pay. I've gotten away with not getting traffic tickets by showing off my boobs. They've helped me out.

**XL Girls:** That's a good tactic. Do you ever notice guys just talking to your chest and not to your face?

**Porsche:** Oh yeah, definitely. But I'm used to it now.

**XL Girls:** Do you think guys ever pay too much attention to your boobs?

**Porsche:** Well, yeah. Because sometimes they get to the point where they forget that I'm a real person and it's just all about the tits. And I do things like care for the environment and I go to school. I was blessed with big boobs, but that's not all there is to me.

**XL Girls:** Have you always liked having big boobs?

**Porsche:** Definitely. If I was without my boobs I would be lost. If for any reason I would lose them, I would definitely get implants.

**XL Girls:** That's good. Our readers probably love your boobs as much as you do. So moving along, what's your ideal date like?

**Porsche:** My ideal date would definitely start off in a little bungalow somewhere on a beach. We'd wake up to the ocean air blowing through the bungalow. Breakfast would be delivered to us, then we'd get ready and go into town to go shopping; I love to shop. I love to get massages and get into hot tubs.

**XL Girls:** So you're the kind who wants the luxurious experience.

**Porsche:** Oh yeah. But later in the night I still want to go dancing and do karaoke. None of my friends get it but I really think it's so much fun!

**"MY FAVORITE PLACE TO HAVE SEX IS BENT OVER THE SIDE OF A COUCH."**

**XL Girls:** How often do you go out to sing karaoke?

**Porsche:** Hardly ever. I can't get anyone to go with me.

**XL Girls:** Well now the guys reading this know how to get you to go on a date with them. Are you against having sex on the first date?

**Porsche:** Not necessarily.

**XL Girls:** Do you try not to?

**Porsche:** Yes.

**XL Girls:** What do you think is the drawback of having sex with someone on the first date?

**Porsche:** That they don't have a clue about who I am. If I'm considering dating someone I like them to have some idea of who I am and what I like before we get too physical.

**XL Girls:** Do your friends or any of your family know that you do this kind of modeling?

**Porsche:** Some of my friends know but none of my family does.

**XL Girls:** Do you have any friends or fans who are looking forward to seeing you in the magazine?

**Porsche:** Well I have my MySpace page and I have a whole bunch of people on there who are waiting to see my photos and videos come out.

**XL Girls:** Do you interact with your fans through the internet?

**Porsche:** Oh yeah. If someone emails me I always try to email them back and let them know what's going on in my life and what I'm doing professionally and let them know what to look forward to.

**XL Girls:** That's nice of you. Fans really appreciate that.

**Porsche:** I like to make them happy.

**XL Girls:** Do you have a favorite place to have sex?

**Porsche:** My favorite place to have sex is bent over the side of the couch. That goes along with the doggie-style 'cause you can hold on tight and it feels really nice.

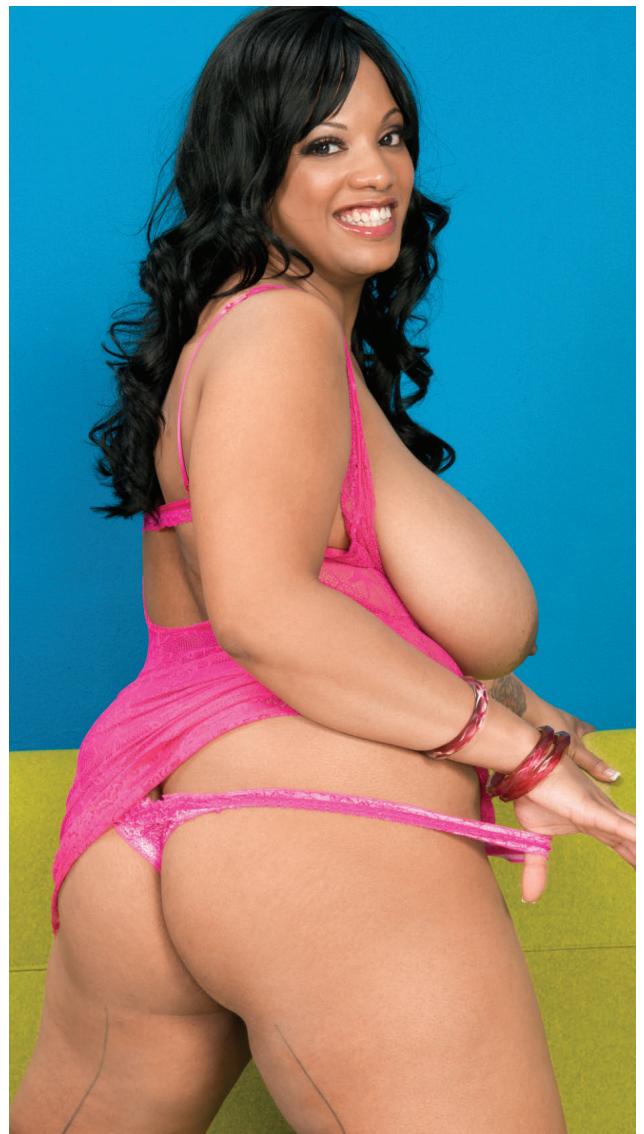

**XL Girls:** What should a guy do to get your attention?

**Porsche:** Be friends with me first. It's nice to be complimented, but I don't want someone to come to me and say, "Hey babe, nice boobs. Can I touch them?" So just be friends with me, find out what I like, what I don't like and let it go from there.

**XL Girls:** Are the guys you date typically boob fanatics?

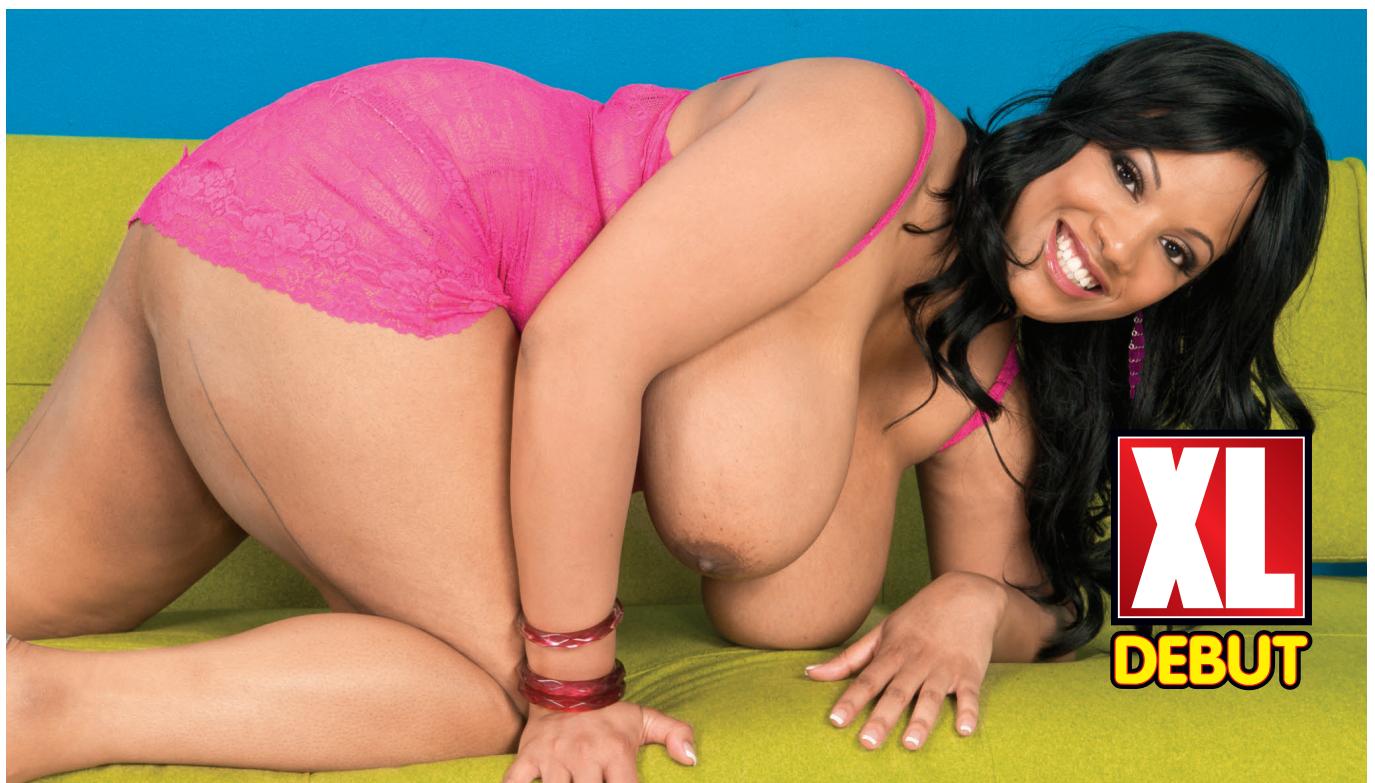

**Porsche:** Yeah, or butt fanatics. I'm

**Believe it or not, Betty is relatively new to playing with cocks!**

Betty told us that she lost her virginity to a woman when she was 21. "I only dated women until I was 28," she said. "I started dating men when I lived in Australia, and since then the majority of people I've dated have been men. I still love women, but my attraction to men is stronger, and I really love cock. Couldn't live without it."

**When it comes to sex, Betty is good, giving and game. She's the kind of open-minded lady that we love around here!**

To clarify, Betty is good in bed, giving in attention and game for just about anything within reason. "I tend to get exposed to new fetishes with each new partner. I'm willing to try just about anything. I have recently gotten into Japanese style bondage like shibari." Betty is certainly part of a new breed of *XL* girl: free-spirited, cultured, often tattooed, bisexual and into fetish play.

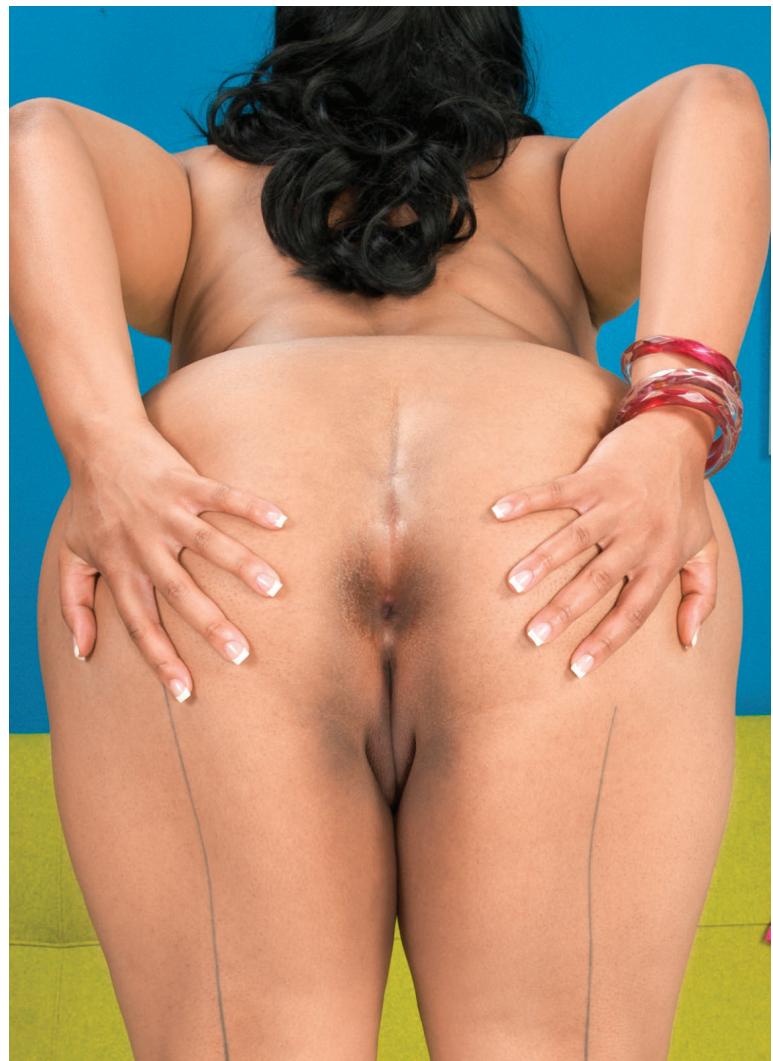

**If you want to turn  
Betty on, turn on the  
camera, whip out  
your cock and jack it!**

"I love to masturbate. I spent a large percentage of my Christmas break watching porn and masturbating. My favorite kind of porn is male solos. Something about watching a man play with his cock really turns me on. I love to watch it grow harder and harder, and I love to watch the way he strokes it. I get turned on by him being turned on. In a way it makes me wish I was there with him to pleasure his cock with my mouth and my pussy."

Continued from page 34

packing butt, too. But I normally get the boob guys.

**XL Girls:** So do guys say things about your ass too?

**Porsche:** Yeah. The best thing was when I was a senior in high school. We were all getting ready to graduate. I graduated from a pretty big school and one of the guys I knew was like, "I gotta do something." So he stood me up in front of everybody at the assembly and said, "I just want to let everyone know this is the finest ass I've ever seen on a white woman."

**XL Girls:** Wow, that's pretty crazy. You know having a nice, big ass is good for doggie-style, too.

**Porsche:** Exactly.

**XL Girls:** Back up to your boobs. Have they ever popped out by accident?

**Porsche:** Swimsuits are absolutely awful for big boobs. I've been in family functions and been swimming and they popped out.

**XL Girls:** Did you realize it right away or was it like one boob was hanging out and you didn't notice?

**Porsche:** I realized my boob was out right away, but it doesn't mean other people didn't see it. Luckily everyone just laughed it off. But ever since then I know not to jump off the diving board into the pool. That's just asking for your boob to pop out.

**XL Girls:** So would you say you're a sexually open person?

**Porsche:** I am, yeah.

**XL Girls:** Have you always been that way or has it been a recent thing?

**Porsche:** I'd say in the past eight years I've been open. When I was younger I was scared of it.

**XL Girls:** That's pretty normal, especially growing up with strict, religious parents. And you must be pretty sexually open to be coming in here and modeling for us.

**Porsche:** Yes, that's true. And I see myself getting more and more open as time passes.

**XL Girls:** Well when the time comes when you want to try anal on-camera, please remember us!

**Porsche:** [Laughs] Of course I will!

**XL Girls:** That's all we have for you today, Porsche. It was a pleasure.

**Porsche:** The pleasure is all mine. I've had a blast!

# MARILYN MAYSON

## Thirsty? This milk maiden has you covered.

Say hello to Marilyn Mayson. She's one of our newest additions to *XL Girls*. As a lover of big breasts, you probably want to suck on her glorious tits. And if you did, you'd get quite the surprise because Marilyn is lactating. "I love being able to squeeze milk out of my tits. It's a lot of fun. I was surprised how far I could shoot the milk. If someone stood on the opposite side of the room from me I could probably reach their mouth."

A full-body photograph of a nude woman with long brown hair, smiling and looking over her shoulder. She is wearing large, beaded hoop earrings. A large, colorful tattoo is visible on her right shoulder and upper arm. The tattoo features a woman with blonde hair in a leopard-print dress, a red milk jug with a red lid, and a red banner that says "GET CUTE". The text "Sometimes I'm an Old Lady" is written above the illustration. She is standing in front of a teal wall, with a painting of a still life with flowers in a vase visible in the background.

## Marilyn drinks from her juicy milk jugs, too.

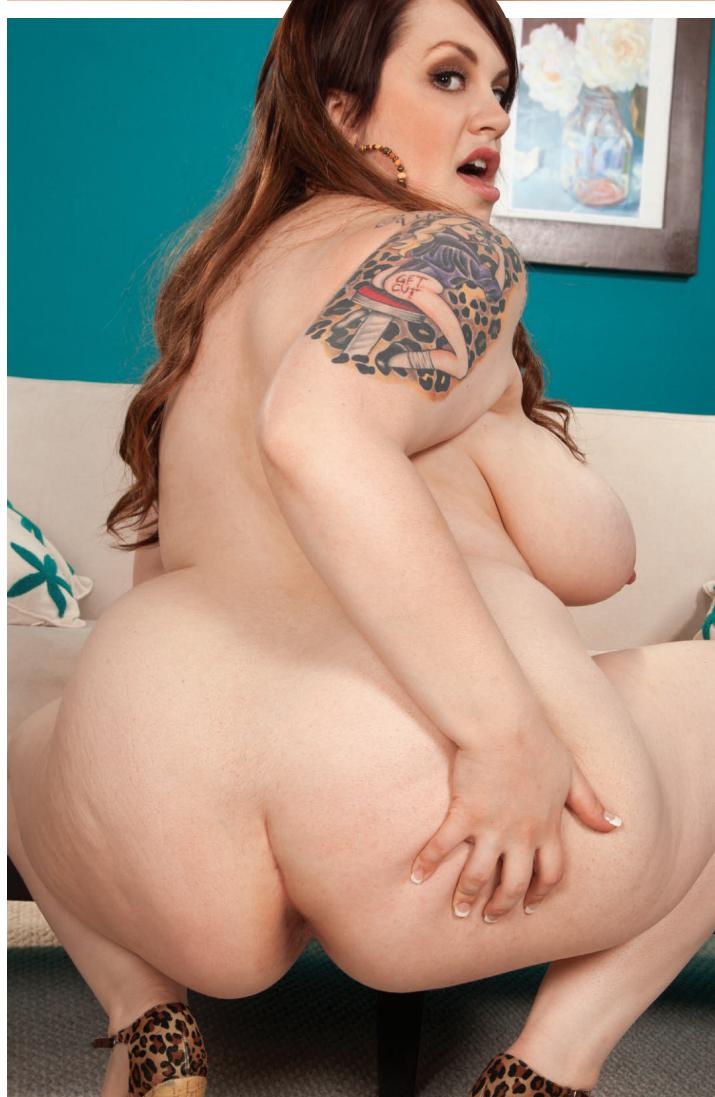

"Sometimes I'll taste my breast milk. It tastes surprisingly good. I guess it's kind of like how some guys have cum that tastes good, and other guys not so much. I was just blessed with tasty breast milk." Marilyn was also blessed with a cute face, ample curves and a healthy appetite for sex. Marilyn says she's a masturbating addict and that she has sex as often as possible—"At least once a day!"

**There's  
nothing like  
warm pie to  
go with your  
glass of  
breast milk.**

We're all here for the boobs, but pussy is just as important. A nice, shaved, pink one like Marilyn's should be showcased not only because readers want to see it, but also because Marilyn wants to show it. "I love to show off my pussy as much as my tits. I can't do that in public, but this is the perfect place for it!"

## **Kinky Marilyn likes to explore new ways to get turned on.**

Her sexual fantasies include creampies, dirty talk, role playing, the mile high club and banging the delivery man. These are fantasies, which means they may not have necessarily happened yet. But Marilyn was quick to inform us that yes, she has done all these things. "I've had sex in an airplane bathroom. It was cramped but really hot. And I know this is so cliched, but I totally boned the pizza delivery boy once."

# Charlie Cooper & Asante Stone

*XL Girls* sweetheart Charlie Cooper is showing us how naughty she can be by wrangling a big, black cock in this scene from *Thick Chicks on Black Dicks*. We love Charlie not only because she has a huge rack, but because at first look this Midwestern nurse doesn't seem like the type to fuck men in front of a camera. She's not a dolled-up porn star, just a regular girl indulging her freaky side.

So why did Charlie decide to take the porn plunge? "It seemed like fun," she said. "And I have great boobs. Why not show them off? If they can make other people happy then that makes me happy." When we asked Charlie how she felt about doing an interracial scene, she was more than happy to sign up. "I love fucking black men. Their dicks are like chocolate and they turn me on so much. I hope your readers love seeing a black dick in my pink pussy as much as I love feeling it in there."

to both, but living at home and caring for my poorly mum prevents this. But I would love to ask for a few more full-height rear view shots of some of the girls as seeing their big, bare legs really gives me a big, big hard on. Could I also perhaps see pics of them sitting on their legs (like Sadie Berry in V-mag in Jan. '11) as these types of pics give me instant erections. I would love to see a full-height rear shot of Porsche Dali and one of her sitting on those gorgeous legs.—D.P., via email

**Girls who are confident and comfortable in their own skin are the sexiest.**

And that's Violet all the way. She's an outgoing girl who's not afraid to let loose, and she wants the same quality in a guy. "I like to have fun, so naturally I'm attracted to a guy who is spontaneous and has a good sense of humor. But most importantly, he's gotta be good in the sack!"

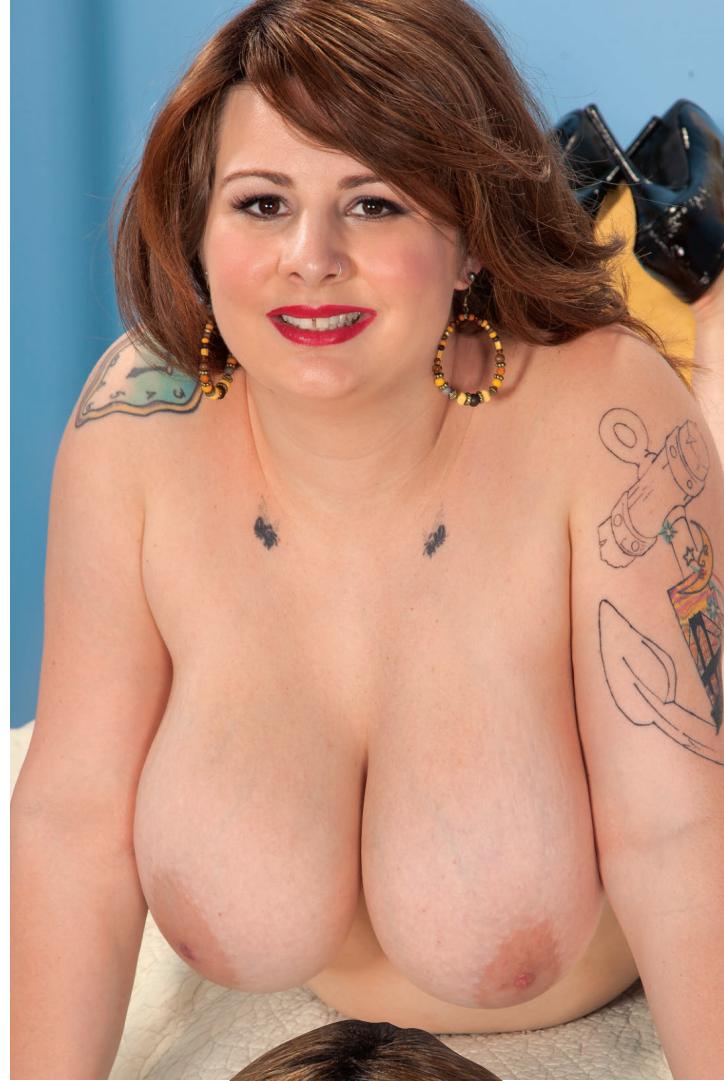

**Violet says men  
are often  
intimidated by  
her wild ways.**

"I'm spontaneous, especially when it comes to sex. You never know when I'll want to get it on. We could be grocery shopping and all of a sudden I'm trying to bang the guy in the bathroom. That makes some people uncomfortable. I think trying crazy things makes life more exciting."

### **So what else does this wild flower like? A little bit of everything!**

She likes to attend roller derby games. She enjoys cooking and experimenting with pastries by adding alcohol to the ingredient list. Violet relaxes by gardening. Nerdy comic book geeks make her wet. She fantasizes about people watching her fuck on the beach. She's had many sexual encounters with women. And she loves to masturbate. "Face down, ass up, panting and using both hands. My significant other travels a lot for work, so masturbation is a must almost every day. My G-spot is always in need of some stimulation!"

### Big Titties

Dear *XL Girls*,

I have just been reading the UK edition of *XL Girls* May '12 (SP227). Wow, Shugar. She's great. I love her cuddly tits and shaved pussy. I would love to suckle on her tits. Those are big teats, that's for sure! I love floppy, saggy tits, especially on older women who are 60+. Why not include some in future issues? Shugar is fantastic! Also, Lisa Canon is great. That guy who has his head in her titty sandwich in the DVD pick is so lucky. Her nipples look in need of a very good suck. It would be nice to see her having her big orbs sucked tandem style by two hungry guys!—T.D., England, United Kingdom

Part of Silvie's appeal is that she looks like a regular girl you'd see anywhere.

### Silvie's a Treat

Dear *XL Girls*,

Thanks for the photos of Silvie. I liked her floppy tits and the pictures of her spreading her asshole and pussy. If I was her husband I would be extremely happy to have her, and I would make sure to tongue her pussy and butthole every night. Silvie is exactly the kind of woman I like. She has nice, big hangers, a soft, white

# NATALIE & MICKY

**Want to know a secret? Busty babes love to feel up fellow big-titties!**

The rack-packin' babes in *XL* know how much it rules to have big tits. They're used to playing with their jugs every day, so when the opportunity comes up to play with another pair of huge tits, they jump on it! That's how this pictorial with Natalie and Micky came to be. We asked these foreign hotties if they'd be interested in shooting a scene together, and they said only if they could play with each other's tits!

**Double the tits  
means double the  
pleasure and  
double the fun!**

"Micky has some of the biggest tits I've ever seen," Natalie said. "It's rare that I meet another woman with a chest that's as big as mine. Now I know why men are so obsessed with boobs. They're fun to look at and to play with. If I had a dick I'd want to stick it between Micky's boobs for sure!"

**These two friends shared everything, even orgasms!**

When two women are around each other constantly, it's only a matter of time before they see each other naked. And when that happens, they eventually become comfortable getting off in front of each other. That's what happened with Micky and Natalie when we flew them down to a mansion in Puerto Vallarta, Mexico. Half the time they were walking around naked and playing with each other's tits. It was only natural that it would progress to comparing pussies and having contests to see who could cum the fastest.

## Meet Asha. She's one of a kind!

This redhead will seduce you with her luscious body and intrigue you with her personality. She was born and lives in the middle of nowhere. But for someone raised in the sticks, she has a cultured world view. Asha is an activist and web designer. She also likes tabletop gaming, making art and hula hooping (we can't get that image out of our heads.) And she loves to show off her 42G cup rack in lacey, low-cut tops.

**Asha is a cock-sucking gladiator when it comes to oral. This back country gal's stamina is incredible and her enthusiasm is overflowing.**

What's the longest a woman has ever blown you for? Whatever it is, we bet Asha has it beat. "Giving and receiving oral is what satisfies me the best sexually. Blow jobs are kind of like an Olympic sport with me. I once gave a blow job that lasted two and a half hours! And I loved every minute of it." There you have it: Asha, a gold medalist at giving head!

**Asha is just full of surprises. Like the one between her creamy legs. But there's more...**

Bet you weren't expecting to see those tattoos on either side of Asha's pussy. "They're butterfly wings. I'm a sexually free person so that's why I got that tattoo. Also I think butterflies are beautiful, just like a pussy." So what other surprises is Asha hiding? "One of the hottest experiences of my life was having a gang bang with five guys. I loved being able to play with so many different cocks and having all those hands all over my body. I also love cum, and I definitely got my share of it that night."

belly and a sweet face. I like that she is not too over-the-top or pornified. She looks like a nice lady who gets really horny. She looks like a regular girl that you would see on the street. To me, that is hotter than some overly glamorous starlet. Thank you for the treat.—L.O., via email

### Danica's Danglers

Dear XL Girls,

Thank you for the interview with Danica Danali. She is a total cutie and I love her body. Hopefully she ends up doing hardcore for you. She makes me crazy and I would love to see her with a cock stuffed inside her. She exudes sex appeal with her curves, mesmerizing blue eyes and gorgeous, full tits. She may not have the absolute biggest tits out of every XL girl, but her rack is my favorite. I really love the shape of her boobs and her nipples. In addition to seeing Danica in hardcore, I would also love to see her with a cock between her tits. I hope there is more of this sexy woman to come, so that I can cum!—J.G., Salisaw, Oklahoma

Dear XL Girls,

Wow! I loved Danica's photos in her interview in the May '12 (SP227)

issue! Awesome solo set! I love Danica and her facial expressions. She looks at the camera like she is thinking to herself, "I can use my sexual super powers to make you jizz in your pants any time I want to." She is so smugly confident, and I believe she is right. The outfits, poses and photography are superb. I would love to spend an evening with this woman! I bet she would rock my world.-T. via email

Dear *XL Girls*,

Danica is the most wonderful, superbly luscious and gorgeous lady ever in the top list of *XL Girls* models. She is my new favorite model. I like and love her more than ever. I want to spend a day with her, and then cuddle all night long. She is simply so pretty and lovely, and has a yummy, big ass and boobs. I would love to suck them and play with her body. # Julia Juggs & Mirko Steel

Let's face it. No one sucks and fucks like Julia Juggs. And no one takes it up the ass quite like this curvaceous Latina either. Every once in a while, a model will come along who has that special star quality. We think Julia has it, with the way she talks dirty and the enthusiasm she exudes for pleasuring cocks. You can tell she really loves getting fucked.

**"Once upon a time I was afraid to try anal. I was shy and nervous about sex. But then I met this guy who changed my whole outlook on everything. He told me my body turned him on and that he loved my tits and my big ass. When we had sex he made me feel completely comfortable. After that I really started to relax and open up about sex. I wanted to be naked all the time and try lots of new things. I started watching a lot of porn and masturbating all the time. I was completely transformed and I lost all my inhibitions. I think it was because of him that I'm so confident now. He turned me into an anal-loving nympho."**

Julia knows what she needs to do to have a successful ass fucking. "I have a protocol for anal. That's why it always goes so smoothly. I'll put a toy in my ass for a while. Then when I'm fucking the guy I'll have him stick his finger in, and when he does that I can tell whether I'm ready to get fucked in the ass or not. Usually I am, so we go from there." As you can see from the cock lodged comfortably in her ass (and the cum dripping down her crack) Julia knows what she's talking about.
